1990 COUNTY BLOCK MAP (RECREATED)

(90RBLK) 19345039001000000000

¹ Where international, state, and/or county boundaries coincide, the map shows the boundary symbol for only the highest-ranking of these boundaries.

² A "0" following a place name indicates that the place is also a false MCD; the false MCD name is not shown.

³ In 1990, the crews-of-vessels population of ships at sea was allocated to census tracts with a ".99" suffix. An anchor symbol appeared on the 1990 maps locating a census tract of vessel tracts. These maps show a very small area symbolized as a census tract with the census tract number shown near the area.

⁴ A "*" following a block number indicates that the block number is repeated elsewhere in the block.

¹ Where international, state, and/or county boundaries coincide, the map shows the boundary symbol for only the highest-ranking of these boundaries.

² A "0" following a place name indicates that the place is also a false MCD; the false MCD name is not shown.
